

Connecting with Care

Our adapted partner approach provides the highest level of assurance as we interact within our controlled eco-system.

Arrival & Departure Transfers

- ✓ Manifest management
- ✓ Compliance with health and safety protocols across multiple suppliers
- ✓ Touchless meet & greet services
- ✓ Private, sanitized vehicle charters
- ✓ Coordination of physical distancing requirements

Transportation

- ✓ Signage, staggered loading schedules, and coach boarding policies
- ✓ Provisions for additional charter vehicles or multiple trips to allow for reduced vehicle capacities

Registration – Hotel & Event

- ✓ Welcoming staff to put a friendly face on health and safety enforcement and compliance
- ✓ Touchless hotel check-in using mobile technology
- ✓ Adapted registration set-up to reduce queues
- ✓ Safe distribution of meeting materials

Connecting with Care

Our adapted partner approach provides the highest level of assurance as we interact within our controlled eco-system.

Communications

- ✓ Advanced messaging to attendees highlighting local health and safety protocols and procedures
- ✓ Plentiful and timely on-site communications and reminders

On-site Staff Preparedness

- ✓ Professional, experienced event staff trained in sanitation and physical distancing
- ✓ Frequent JPdL staff health checks and practices in place

Room Set-up

- ✓ Fun and creative meeting room, catered function and exhibit hall layouts
- ✓ Signage to guide direction and pace of movement, entry and exit control
- ✓ Flow management and staggered meeting break time to reduce queues

Connecting with Care

Our adapted partner approach provides the highest level of assurance as we interact within our controlled eco-system.

Food & Beverage

- ✓ Provide menu and food services recommendations that comply with safety regulations while keeping sustainability a priority
- ✓ Ensure all function spaces are set up to promote engagement
- ✓ Work with venues to ensure implementation of safety protocols

Risk Management

- ✓ Duty of Care promise: JPdL will provide the expertise to help you mitigate risk associated with your event
- ✓ Contract review and recommendations for overall safety plan
- ✓ On-site medical care, temperature checks, health surveys, isolation rooms, use of PPE
- ✓ Suppliers are vetted and approved by JPdL
- ✓ Access to hand washing or hand sanitizer throughout events

Fun Stuff

- ✓ JPdL has developed a suite of team building and networking activities. With health authority recommendations in mind, we will keep your attendees engaged with both indoor and outdoor activities - Food truck picnic anyone?!
- ✓ Fun and creative floor planning solutions to make the most of your meeting
- ✓ Branded and themed PPE, Playful physical distancing signage and decals
